Mumbai (Maharashtra) [India], March 18: Reliance Nippon Life Insurance Company Ltd. (RNLIC), in collaboration with TimesPro and the Indian Institute of Management (IIM) Indore, successfully conducted an exclusive Leadership Development Programme recently, aimed at equipping RNLIC's Branch Managers, Heads and Area Managers with the essential cross-functional skills required to lead effectively in an evolving business landscape.

TimesPro (L&D Training Provider) organised a two-day residential programme at IIM Indore, the programme was thoughtfully designed to equip participants with the skills needed to navigate today's workplace requirements. Led by distinguished IIM faculty, the sessions focused on building resilience, managing stress and enhancing overall effectiveness. Participants benefitted from an immersive learning experience that blended case studies, interactive discussions and business simulations with team-building exercises. These activities not only strengthened collaboration but also sharpened problem-solving and customer management skills. By focusing on skill development, the programme empowered attendees to improve productivity, efficiency and adaptability in their roles. Given its overwhelming success, RNLIC plans to conduct multiple batches of this program throughout the year.

Commitment to Excellence "At Reliance Nippon Life Insurance, we firmly believe that nurturing future leaders at every level is the cornerstone of sustained organizational excellence. This partnership is a testament to our unwavering commitment to investing in human capital and cultivating a high-performance culture. By strategically developing leadership at the branch level through our flagship leadership program - Samruddhi, we are empowering our teams with the acumen to drive operational

by | *Posted on March 18, 2025*

Mumbai (Maharashtra) [India], March 18: Reliance Nippon Life Insurance Company Ltd. (RNLIC), in collaboration with TimesPro and the Indian Institute of Management (IIM) Indore, successfully conducted an exclusive Leadership Development Programme recently, aimed at equipping RNLIC's Branch Managers, Heads and Area Managers with the essential cross-functional skills required to lead effectively in an evolving business landscape.

TimesPro (L&D Training Provider) organised a two-day residential programme at IIM Indore, the programme was thoughtfully designed to equip participants with the skills needed to navigate today's workplace requirements. Led by distinguished IIM faculty, the sessions focused on building resilience, managing stress and enhancing overall effectiveness. Participants benefitted from an immersive learning experience that blended case studies, interactive discussions and business simulations with team-building exercises. These activities not

**64% of MSMEs resume post-pandemic; 54% report 10% YoY growth: Says the third edition of MSME Sampark Report by UGRO Capital and Dun & Bradstreet**

Mumbai (Maharashtra) [India], April 11: UGRO Capital Ltd., a leading DataTech NBFC focused on MSME lending, has released the 3rd MSME Sampark Report - a semi-annual report that is prepared in partnership with Dun & Bradstreet. The 3rd edition highlights that 64% of MSMEs have resumed activity post-pandemic, with around 54% reporting a growth of over 10% Year-on-Year (YoY), underlining the sector's strong momentum. However, growth in investments in Udyam-registered MSMEs has slowed from 61% in FY22 to 22% in FY23 and 23% in FY24. Large and medium businesses anticipate slower domestic growth in Q1 2025, while small firms remain optimistic. It is noteworthy that while capital costs are
