How does the plan work?

Meet Sanjeev, a 35-year-old businessman and devoted father to his 5-year-old daughter. Sanjeev values safety and security when it comes to his investments. He's looking for a reliable way to save for his daughter's future, while also ensuring his family's financial security.

Sanjeev chose the INL SAFE Plan: A secure investment for his family's future.

He commits to paying an annual premium of Rs. 1 lakh for 10 years, choosing a 20-year policy term to align with his goal to receive a substantial lump sum benefit when his daughter turns 25.
