In case of death of the life assured during the payout period the outstanding maturity benefit instalment, if any, as scheduled will be payable to the claimant(s).

Where "Sum Assured on Maturity" is equal to Base Sum Assured.

The policy will terminate on payment of the maturity benefit.

## Other Features

---

### • Policy Loan

Loan will be available under the policy for up to 70% of the surrender value under the base policy. The interest on loan is payable at the prevailing rate of interest applicable to the loan. Prevailing interest shall be equal to 10-year G-sec benchmark effective annual yield as on last working day of last financial year, round-up to the next multiple of 25 basis points plus a margin of 150 basis points. The company reserves the right to change the basis of determination of interest rate and to revise the applicable interest rate less frequently than annual. The rate of interest on loans for FY 24-25 is 8.75% p.a. compounded yearly. Please contact us to know the prevailing rate of interest for policy loan.

For other than in-force and fully paid-up policies, if at any time during the term of the policy, the sum of loan outstanding and unpaid interest on loan outstanding exceeds the surrender value at that time; the policy will be terminated by recovering the loan outstanding amount and unpaid interest amount from the surrender value after giving intimation and reasonable opportunity to the policyholder to continue the policy. The balance of surrender value, if any, will be paid to the policyholder.

For in-force and fully paid up policy, the policy can't be foreclosed on the ground of outstanding loan amount including interest exceeds the surrender value.

Before payment of any benefit (death, survival, maturity or surrender) for a policy against which loan is availed of, the loan outstanding and the interest on loan outstanding will be recovered first and the balance if any will be paid to the policyholder or nominee, as applicable.

Riders will be offered only where the outstanding premium payment term is at least 5 years. The rider premium payment term cannot be more than the premium payment term of the base policy if opted at the inception of the base policy or the outstanding premium payment term of the base policy, if taken subsequently. Rider premium should be paid along with the premium for the base policy on the due date or within the grace period. The mode and frequency of rider premium payment shall be same as the mode and frequency of premium payment under the base policy.

<sup>3</sup>Kindly refer the sales brochure for RNL Critical Illness Rider for details of illnesses covered under this rider.

In case of single premium policy, the rider can only be attached at inception of the policy. For further details on all the conditions, exclusions related to the riders, please read the rider terms and conditions and rider sales brochure carefully or contact your insurance advisor.

- Flexible premium payment frequencies**

For a limited pay policy, you have an option to pay premiums either yearly, half-yearly, quarterly or monthly. Quarterly and monthly frequencies are allowed only if the premiums are paid electronically, like through ECS/NACH or online payment. For monthly frequency, first two months' premiums will be collected in advance at the time of issuance of the policy.

Frequency loading as a percentage of Annualized Premium<sup>T&C6</sup> will be applicable as per the table below:

Frequency	Yearly	Half- yearly	Quarterly	Monthly
Frequency Loading	0%	1%	2%	4%

- Grace period for payment of premiums**

Under a limited pay policy, if you are unable to pay your premium by the due date, you will be given a grace period of 30 days (15 days for monthly mode). During the grace period the policy shall continue to remain in force. In case of a valid claim arising during the grace period, but before the payment of due premium, the company shall honor the claim. In such cases, the due and unpaid premium for the policy year will be deducted from any benefit payable.

## • Premium discontinuance

If you discontinue the payment of premiums, your policy will either lapse or become paid-up or can be surrendered as explained below:

### Lapse

For a limited pay policy, if the premiums have not been paid in full for the first policy year, your policy will lapse at the end of the grace period and the death benefit and rider benefit if any will cease immediately.

A lapsed policy can be revived within the revival period which is five years starting from the due date of first unpaid premium but before the maturity date. The revival is subject to company's Board Approved Underwriting Policy.

If a lapsed policy is not revived till the end of period of revival, the policy will be terminated.

### Paid-up Benefits

For a limited pay policy, if all due premiums have been paid in full for the first policy year and no future premiums are paid, the policy will move to paid-up (or reduced paid-up) status.

On your policy becoming paid-up, benefits under the policy will be reduced as given below:

Benefit	When is it payable		Payout	
<b>Death Benefit</b>	On death of life assured during policy term		<p>Paid-up sum assured on death shall be payable as lumpsum</p> <p>The Death Benefit payable under Reduced Paid-up Policy will subject to a minimum of 105% of Total Premiums Paid.</p> <p>The policy will terminate on payment of the paid-up death benefit to the claimant(s)</p>	
<b>Survival Benefit</b>	<b>Option</b>	<b>When it is payable</b>	<b>Option</b>	<b>Payout</b>
	<b>Income Option</b>	Payable on survival of life assured, starting at the end of each policy year after premium payment term till one year prior to end of policy term	<b>Income Option</b>	Paid-up guaranteed annual income shall be payable
	<b>Endowment Option</b>	Not applicable	<b>Endowment Option</b>	Not applicable

Benefit	When is it payable	Payout	
Maturity Benefit	Payable on the survival of life assured at the end of policy term	Option	Payout
		Income Option	Paid-up sum assured on maturity shall be payable as lumpsum
		Endowment Option	Paid-up sum assured on maturity shall be paid in 4 equal annual instalments starting from the end of policy term.  On death of life assured during the payout period, the outstanding paid-up sum assured on maturity installment, if any, will be payable as scheduled
		The policy will terminate on payment of the paid-up maturity benefit.	

Where:

Paid-up Sum Assured on Death = Sum Assured on Death multiplied by Paid Up Factor

Paid-up Sum Assured on Maturity = Sum Assured on Maturity multiplied by Paid Up Factor

Paid-up Guaranteed Annual Income = Guaranteed Annual Income multiplied by Paid Up Factor

Paid Up Factor = No of Premiums paid divided by Number of Premiums payable during the Premium Payment Term

## • Surrender

For a limited pay policy, the policy shall acquire a surrender value after completion of first policy year provided one full year premium has been paid.

For single pay policies, the policy shall acquire a surrender value immediately from the first policy year.

The surrender value payable during the policy term is higher of:

- 1. Guaranteed Surrender Value; and**
- 2. Special Surrender Value**

In case of Endowment Option, the policy cannot be surrendered during the payout period.

### • **Guaranteed Surrender Value (GSV):**

For limited pay policy, the policy shall acquire GSV if all due premiums have been paid for at least first two consecutive policy years in full.

For single pay policies, the policy shall acquire GSV immediately from the first policy year.

The guaranteed surrender value (GSV) is calculated as below:

Premium Payment Option	Guaranteed Surrender Value
Limited Pay	Guaranteed surrender value premium factor for limited pay multiplied by Total Premiums Paid <sup>T&amp;C4</sup> less survival benefits already paid
Single Pay	Guaranteed surrender value for premium factor for single pay multiplied by Single Premium paid

- **Special Surrender Value (SSV):**

For limited pay policy, Special Surrender Value shall become payable after completion of first policy year provided one full year premium has been received.

The applicable SSV shall be reviewed annually based on the prevailing yield on 10 Year G Sec and the underlying experience.

For more details on GSV and SSV, please refer to the policy terms and conditions.

The policy will be terminated once it is surrendered and cannot be reinstated.

- **Revival**

A limited pay policy in a lapsed or reduced paid-up condition can be revived during the revival period by paying the arrears of premiums along with interest at the prevailing rate of interest. The prevailing rate of interest will change from time to time. For limited pay policies, the revival period is 5 years from the due date of the first unpaid premium or date of maturity of the base policy whichever is earlier. Prevailing interest rate shall be equal to 10-year G-sec benchmark effective annual yield as on last working day of previous financial year, round-up to the next multiple of 25 basis points, subject to a minimum revival interest rate of 7% p.a. The rate of interest for revivals for FY 24-25 is 7.25% p.a. compounded yearly. Please contact us to know the prevailing rate of interest for revival of policies.

The revival of the policy will be subject to Board Approved Underwriting Policy of the Company. The revival interest rate will be declared on 1st April and will be applicable for the financial year. The Company reserves the right to revise the applicable interest rate less frequently than annual and change in basis of determination of revival interest rate.

On revival, the policy will be eligible for its complete benefits and any due and unpaid benefit shall be paid immediately (without any interest) when the policy is revived.
